

Research Showcase 2022 Presenter Information & Permission to Post

There is a limited number of timeslots in each of the presentation sessions. If your abstract is not selected for the long oral presentation, you may be given the chance to present during the short oral session. The presentations marked as “5-minute oral” will only be considered for that presentation session.

Applicants will be notified of the decision and format by 11 February 2021.

Presenter’s Format Preference (select one): 5-minute oral 15-minute oral
