This program is designed for new Teaching Assistants (TAs) at FSU but is also very beneficial for returning TAs as well. It satisfies the required graduate student TA policy training according to University-wide TA standards. Not only will participants gain valuable knowledge in preparation for upcoming teaching assignments, but they will also be able to satisfy attendance at the required University training on the topics of FERPA, ADA, and Discrimination-Sexual Harassment-Retaliation. In addition, participants can complete the instructional requirements for earning a PIE Certificate.

**University Orientation** hosted by **The Graduate School (optional and online)**

### **SPECIAL NOTE TO INTERNATIONAL STUDENTS:**

You must pass a required online quiz covering immigration before you will be allowed to register for the required CGE In-Person Orientation sessions. For detailed steps please see
